## KSP Awards Grant Funds to Reduce Underage Drinking in Kentucky

Kentucky State Police Commissioner Rodney Brewer presented eight agencies with grant funds for underage drinking prevention projects.

KSP serves as the designated state administrator for the Enforcing Underage Drinking Laws (EUDL) grant. The funding is provided by the U.S. Department of Justice, Office of Juvenile Justice and Delinquency Prevention (OJJDP) block grant. Through the federal program, KSP made available

\$300,000 in grant funds for Kentucky projects that address the dangers of underage drinking.

“Enforcement is vital to reducing underage drinking in Kentucky, but it must be accompanied by an educational component that will bring awareness about the serious dangers involved,” said Brewer. “These federal dollars will allow communities to work together to identify local needs and sustain a successful strategy to combat underage drinking.”

“The key is being vigilant in changing the social perception that underage drinking is a rite of passage for teenagers,” said Brewer, “when in actuality, it is a dangerous drug that is proven to reduce brain activity in young people, resulting in dangerous and sometimes deadly consequences.”

“EUDL grant activities specifically target the ability of youth to gain access to alcohol,” remarked Brewer. “Kentucky’s youth are the future of the Commonwealth and we must utilize every effort available to protect this most valuable asset.”

KSP is proud to announce the 2011 EUDL grant recipients and projects:
